Draw Rules

- Draw Prize, and Progressive Jackpot amounts, will be announced prior to each draw.
- At 4:30, one (1) ticket stub will be randomly drawn from all tickets sold that week. The winning ticket holder will receive the weekly prize amounting to 20% of that week's ticket sales. The envelope number indicated on the ticket that is drawn will be opened.
- If the ticket drawn does not have an envelope number nor has an invalid number the CTA Raffle Committee will make one (1) attempt to contact the ticket holder at the number shown on the ticket. This person will be asked to select a number from the remaining envelopes and that card will be revealed.
- If unsuccessful in making contact the CTA Raffle Committee will select the lowest remaining envelope number.
- If the selected envelope does not contain the **Ace of Spades**, the card will be destroyed, and that envelope number will be removed from the following week's envelope selection. 30% of ticket sales from the draw each week will be rolled over to the Progressive Jackpot.
- If the selected envelope contains the Ace of Spades, the winner will also be awarded the **Progressive Jackpot!!!**
 - This will conclude the series of draws for this raffle; a new raffle will begin at an advertised date.
- Winning ticket holder will be notified by phone and advised when they can claim their prize at the COED office, 250 Sidney Street, Belleville. Photo ID will be required to claim any prize. All prizes awarded will be paid by cheque to the person named on the winning ticket.

Draw Rules – Final Week Only

- If the maximum allowable progressive jackpot of \$30,000.00 will be reached, or we reach 51 weeks and the **Ace of Spades** has not been revealed, the Progressive Jackpot will be awarded on the next consecutive draw date of the raffle. The draw will be held at the regular time at COED. The first ticket drawn will receive the weekly prize amount of 20% of that week's ticket sales. The envelope number shown on the ticket will then be opened to reveal the number inside.
- If the card is not the **Ace of Spades** another ticket will be drawn, this and all subsequent tickets drawn after the first ticket will not win the weekly prize but the envelope number shown on the ticket will be eligible for the Progressive Jackpot.
- If the ticket drawn does not have an envelope number or has an invalid number, the CTA Raffle Committee will make one (1) attempt to contact the ticket holder at the phone number shown on the ticket. This person will be asked to select a number from the remaining envelopes and that card will be revealed.
- If unsuccessful in making contact the CTA Raffle Committee will select the lowest remaining envelope number.
- The ticket holder that reveals the **Ace of Spades** will be declared the **JACKPOT WINNER!!!!**
- If all tickets have been removed from the bin and the ace is not found. ALL raffle tickets will be returned to the bin and the first ticket drawn will be deemed the jackpot winner.
